Here's what **people** say about us...

RUPAK SHAH

Co Founder – AiVANTA | 10 Billion+ Characters Generated via our AI

“

Shubham Dumbre is a dedicated professional who has successfully managed 150+ global hybrid events, driven digital growth, and enhanced community engagement. His expertise in content marketing and presales strategy makes collaboration with him truly rewarding.

”

AANCHAL VERMA

Marketing Strategist | Content & Brand Storytelling | Speaker & Author | Helping Businesses Through Engaging Content

“

Shubham Dumbre is a tech-savvy innovator known for his reliability and data-driven problem-solving. As the author and podcaster of 'Decoding Zindagi' and 'Let's Make IT Simple,' he brings a unique blend of creativity and technical expertise. His ability to simplify complex challenges and drive innovation makes him a standout professional.

”

OLGA ZHUKOVA

HR Team Lead

“

Shubham is one of the most customer-oriented and versatile professionals I've worked with. Creative, communicative, and proactive—he consistently gives his best and delivers across multiple areas.

”

OMKAR DEORUKHKAR

SDE 2 @ BlackBerry QNX | Ex-Accenture | AWS SAA – Certified | Microservices | Java | Spring Boot

“

Shubham is a fabulous public speaker and an excellent communicator. His top-tier people management skills and ability to take well-calculated risks make him a standout future leader.

”

SOFIA SONDH

Content Writer | Global Collaborator | Tech Savvy

“

Working with Shubham, even virtually, was a great experience. He explains things clearly and effectively. I encourage everyone to learn from him—wishing him continued success from all of us at The Tech Platform.

”

**SUHAPRIYA
VENKATESWARAN**

IT Project Management | UMBC – Technical Management | Bocconi – International Master in Business | Engineer | Ex TCS

“

Having worked with Shubham on diverse projects, I've seen his exceptional skills across technical, managerial, and creative domains. He's a fast learner and a valuable asset to any team. I highly recommend him.
